# Exercise to improve communication in meetings

**Task 1:** What do I know about communication in meetings?

**Task 2:** How do I perceive examples + tutorials on meeting communication?

**Task 3:** How do others perceive videos? Can I learn from them?

**Task 4:** How does my team communicate in our meetings?

**Task 5:** What do I think about our meetings as an “outsider”?

**Task 6:** What do my team mates think about our meetings?

**Task 7:** Did my understanding of communication in meetings change?

<sup>1</sup> Course exercise, but with your consent we will use anonymized data to study learning experience (consent form will be available at the beginning of the exercise); if no consent: still same activities, but data won't be used to study learning experience

<sup>2</sup> Individual activity in your own time, but log as #class activity

# Plan your recording

- Agree on one meeting for recording
  - After presentation of Deliverable 1
  - This week or next week
  - Length of recording
    - Not necessarily whole meeting but around 30 minutes of meeting
    - We may cut start and/or end of recording before sharing with team
- Let Ja'afaru Musa know by 6 August
  - [jaafaru.musa@pg.canterbury.ac.nz](mailto:jaafaru.musa@pg.canterbury.ac.nz)
  - Will help set up recording and provide tech support
    - Will not interfere with meeting
    - Preferred location: Software Engineering meeting rooms in Erskine
